EBC Introduction to TESOL TEFL course

The course for anyone that is unsure about what to expect from becoming an English teacher

Questions about TESOL TEFL?

- I am not sure about what TESOL TEFL is and I don't want to spend a lot of money finding out.
- I don't want to take a leap in the dark when choosing a TESOL TEFL certificate course.
- Should I take an online or a residential course?
- Will I get work?
- How can I avoid diploma mills?
- Is there an easy way to spot fake accreditation?
- What kind of jobs will I be able to get and do they pay well?

If you have these kind of doubts and questions, then the EBC Introduction to TESOL TEFL course is for you.

Instead of buying an expensive book, you can take our Introduction to TESOL TEFL course for just 15 US Dollars. All the course material is also printable so you can download and print the entire course to read whenever you like.

If you take the EBC Introduction to TESOL TEFL course and then enrol in any of our other courses, you get the Introduction course for FREE. How? when you enrol for one of our online or residential courses we will discount your Introduction to TESOL TEFL course fee.

Take a look at the group photos shown on the left. These photos are from our residential courses and, even if we say so ourselves, the students look very happy that they chose EBC.

There's a simple reason to this, EBC has been around since 1995 and knows what it takes to train good teachers. EBC also knows the type of teacher training that language schools expect their teachers to have completed. This is important to you because it means that all EBC training is based on real-world requirements rather than ivory tower academic theories.

The EBC Introduction to TESOL TEFL course is also based on the real-world, so when you take the course, you'll get the best introductory

EBC International TEFL Certificate – Introduction to TESOL TEFL Information sheet

training possible, training with it's feet planted solidly in the real-world. The same pragmatic approach to training applies to all of our courses.

Course overview
